PT

———

Olá,

Gostaríamos de te dar as boas vindas ao **Workshop Creative Music** do Open Day CTM 2022.

Esperamos que te divirtas e aprendas

Para te prepares devidamente para o workshop, gostaríamos de te convidar a visitar algumas hiper-ligações para software que iremos utilizar no nosso workshop:

1) **Pure Data** (https://puredata.info/downloads/pure-data) software de programação visual.

2) **Sonic Visualiser** (https://www.sonicvisualiser.org) software para análise e anotação musical.

Lembramos ainda que tragas o teu computador pessoal (Windows, MacOSX ou Linux) e auscultadores.

Estamos ao dispor para o que precisares.

Até breve!

Hi,

We welcome you to the Open Day CTM 2022 **Workshop Creative Music**.

We hope we have fun and learn new things!

To be prepared for what's coming, we would like to invite to visit some important links for thew software to be used during the workshop:

1) **Pure Data** (https://puredata.info/downloads/pure-data) visual programming software.

2) **Sonic Visualiser** (https://www.sonicvisualiser.org) visualisation, analysis and annotation of music audio recordings.

We also remember that personal computer is recommended and headphones.

We are available for whatever you need.

See you soon!
